Request Type

- ⦿ Information on CDR Program
- ○ Add a Strategy
- ○ Delete a Strategy
- ○ Update a Strategy

Description of Request

Write a brief description of the request being made for Load Control Program Strategies.

Example: Add a Water Heater Group to Program SD_MRES WH1 Program.

Example: Change the Water Heater Program Priority to 3 and the Air Conditioner Priority to 1

Example: Create a Air Conditioner Program with 10% control for an hour. Add 1 group to the program. Make this the last program to control during a load event.
